

Red River Mutual is one of Canada's fastest growing, policyholder owned, property & casualty insurance companies. To support our continued growth and improve the quality of our service offering, we are seeking to build an experienced and motivated IT team.

We are actively recruiting for the following positions:

- **Desktop Support Technician**
- **Network Administrator**

These are mission critical roles that will provide an opportunity for you to exercise your skills and experience in a dynamic atmosphere.

We have big goals and an exciting future ahead. We invite you to consider being part of the team that will make it happen.

Interested candidates should visit our website for further information:
