Commercial Insurance

Red River Mutual protects people and properties across Manitoba and Saskatchewan. From humble beginnings in 1875, the company has grown to now insure over 70,000 policyholders. As a mutual company every policyholder is an owner of the company!

Many people know us as a **home** and **farm** insurer, but Red River Mutual has also protected small to medium size **businesses** for many years.

If you don't already insure your business with Red River Mutual, we invite you to enjoy the advantages of being a member of a modern mutual. Whether it is with our competitive "off-the-shelf" insurance packages or through customized quoting of larger or more complex operations, we provide exceptional coverages and are very competitively priced.

In addition to a great base policy, we offer over 40 additional enhancements to provide even greater protection for your business. These enhancements add over \$1,000,000 in additional property extensions for things like:

- > Debris removal after a loss
- > Building damage caused by theft
- > Power fluctuations/power surges
- > Rental equipment reimbursement
- > Personal property of visitors, officers, and employees
- > "Green" environmental upgrades
- > Mortgage rate guarantees
- > The "Safety Net" extension
- > Crime coverages
- > And many more...

Actual policy wordings govern.

Payment Options

Premiums may be paid as follows:

- > To your broker in a lump sum payment
- > Through our Pre-Authorized Chequing Plan (PAC Plan)
- > By credit card

Our PAC plan allows customers to pay for their insurance on a monthly basis by having payments withdrawn automatically from their bank accounts. A small service fee applies.

2/2/2 Claims Service

We understand that your policy is only as good as the claims service you receive after a loss. That is why Red River Mutual introduced the 2/2/2 Claims commitment.

If you experience a loss, one of our Claims Specialists will contact you within **2 hours** of receiving the notice of claim, they will make arrangements to visit you within **2 days** of contact, and will follow up with you every **2 weeks** until your claim is closed and paid. Our goal is to get you back in business as quickly and smoothly as possible.

TO REQUEST A QUOTE

Red River Mutual is represented by Independent Brokers across Manitoba and Saskatchewan. Please contact your local broker for a quote or visit www.redrivermutual.com to locate a broker in your area.
